

DESOLATION SOUND YACHT CHARTERS

TRAVEL INSURANCE WAIVER

Dear Desolation Sound Yacht Charters Guest:

Trip Cancellation and Interruption insurance coverage can be provided for your entire party, at low, attractive group rates if you choose. This insurance protection covers all members of your party, and may not be selectively waived by individual members. Children under 19 are covered with their parents' application. If two or more couples are sharing the charter, each couple should have their own policy.

As the representative for the group, you may decide to apply for or waive the travel insurance for all members of your party. This must be done at the time of your booking. If you would like Trip Cancellation Insurance, please complete the enclosed Application and fax or email it to us. If you want to waive the coverage please complete this Waiver and return it to us immediately.

Desolation Sound Yacht Charters Cancellation Policy

Cancellation of the charter over 90 days prior to the charter start date will result in a full refund less \$300.00 cancellation fee. If cancelled between 60-90 days prior, a charge of 25% of the total fee will apply. Should cancellation of the charter occur within 60 days of the charter start date, no refund is due.

Please disregard this form if you wish to take the insurance.
